Sun 'n' Joy Wooden Parasols

Sun'n'Joy Wooden Parasols are exquisite looking Garden & Poolside umbrellas manufactured with Indonesian hardwood. These beautiful Parasols compliment most kinds of outdoor settings , especially to compliment outdoor Rattan furniture, wooden furniture and wooden decking. Wooden Parasols or Umbrellas are in vogue in most upmarket restaurants, hotel pool sides and outdoor cafe's around the world.

Contemporary in Design, offering a premium rich look and durable in the outdoors.

Available in two distinctive models the **Pacific**, a circular design wooden umbrella measuring 3 mtr in dia. Comes with a heavy duty center pole for maximum resistance against breakage during inclement weather. The **Atlantic** is a premium 3mtrs x 3mtrs square shaped umbrella with a space saving side pole design. The side pole design of the Atlantic makes the entire shade area underneath the umbrella obstruction free.

Easy Double Pulley and string operation to open and close centre pole umbrellas & Lever mechanism for the Side Pole.

The Fabric cover of the **Atlantic** and the Pacific are uniquely designed to make them withstand reasonable amounts of wind velocity. This is achieved via a unique air ventilation gap designed in the top cover of both the umbrellas. The unique air vents open up during windy conditions and let the air pass through them helping prevent the umbrellas to topple over.

The frames are finished in a teak matt colour.

A set of folding chairs with the same fabric as the Umbrellas would complete your outdoor setting.

Brighten up your space with specially designed LED lights for your Wooden Umbrellas in matching colour .
